To Whom it May Concern:

We convey this letter on behalf of the Will County Sheriff Deputies Union. The members of the Deputies Union are great friends and supporters of St. Jude Children's Research Hospital®. The Deputies Union is looking to continue their generosity and raise funds for the hospital with plans underway by hosting The Inaugural *Swing for the Kids Golf Classic*.

This year the Deputies Union will host the Inaugural *Swing for the Kids Golf Classic* June 17, 2022, at the SPG Green Garden Country Club in Frankfort, IL.

It is because of the support of volunteers and donors like those at the Will County Sheriff Deputies Union that St. Jude is able to continue its fight against childhood cancer. Since the beginning, St. Jude Children's Research Hospital has changed the way the world treats childhood cancer and other life-threatening diseases. No family ever receives a bill from St. Jude. Additionally, St. Jude shares their research openly and freely with other hospitals all across the world.

Please consider helping our friends at the Will County Sheriff Deputies Union in their efforts to support St. Jude by attending The Inaugural *Swing for the Kids Golf Classic*, making an auction or raffle donation or donating directly to the event to help make it a success! Thank you for your support and helping Danny Thomas' dream live on that *no child should die in the dawn of life*.

Sincerely,

Cedric Williams
